## Welcome to YOUR Newsletter!

We have threatened you with this for some time. The day has finally dawned. As with any good Al-Anon project, several of the Board Members discussed this thing to death. It's resurrection was revitalized when we realized a few of us had an extra 25 minutes a week with nothing to do. We self-appointed and voluntold a few of us to create a format that provided both information and a light-hearted approach to our community of recovery. ## **IDEAS FOR FUNDRAISERS AND WORKSHOPS:**

Workshops and fundraisers are great ways to connect to other members. If your group needs direction or help with doing any event, you can always rely on your AID office and Board to help you plan. Workshops help all members understand the way it "works". Fundraisers (bake sales, a jar on the table for extra collections, etc.) are not only fun but provide funds for the continued mission of Al-Anon.

DECLARATION: WHEN ANYONE, ANYWHERE REACHES OUT FOR HELP LET THE HAND OF AL-ANON AND ALATEEN ALWAYS BE THERE AND LET IT BEGIN WITH ME.

### ***FINANCIAL UPDATE:***

Please see the website for our current financial situation. We are having to dip into our "Prudent Reserve" fund at this time to pay our bills. You can review our monthly expenditures, donations and literature income. We are posting the contributions of groups on the website as well. If your group is not listed, you did not contribute. If every group contributed monthly or quarterly, we would never have to dip into our reserve. Stay tuned to this newsletter as we highlight various services your AIS provides for you. The 4th Concept is: "Participation is the key to Harmony". As we participate in our program we are bound to find Serenity.
