Dear Members,

   For those of you using Zoom you may have heard Zoom is having a problem with "Zoom Bombing". For an added layer of security Zoom has stated that every meeting must have a password. Those Hosting the meetings should be given a password when they sign in to start the meeting. It will be the Host responsibility to email/text this password to members joining the meeting. If you have any questions please contact Deanie at the AI S office, 405-767-9071. If your group changes ID # please let the office know.

Thank you,
Sharon Steinman – Chairperson
Deanie Kuepker – Office Manager
